

# Panel Mounting for Plug Valves

## Features

Valve can be mounted on panels from 1/16 to 3/8 in. (1.6 to 9.6 mm) thick. The mounting bracket fits:

- Swagelok 1/4 in. (P4T series) plug valves with Swagelok tube fitting, female pipe, and up to 1/8 in. male pipe end connections
- Swagelok 1/2 in. (P6T series) valves with Swagelok tube fitting, female pipe, and up to 3/8 in. male pipe end connections.

## Materials

Handle, coupling, cap: Nylon.

Handle insert: Brass.

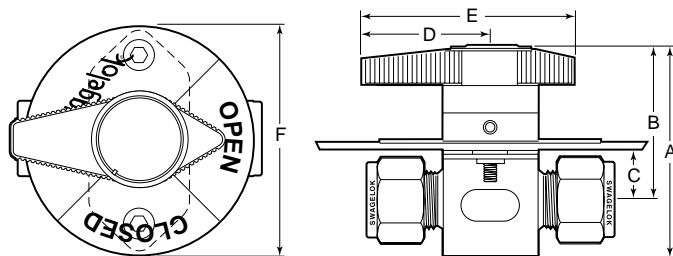

Mounting bracket, mounting screws: Stainless steel.

Indicator label: Polycarbonate.

All other components: See the Swagelok *Plug Valves* catalog.

## Dimensions and Ordering Information

Dimensions are for reference only and are subject to change.

Series	Dimensions, in. (mm)					
	A	B	C	D	E	F
P4T	1.95 (49.5)	1.46 (37.1)	0.37 (9.4)	1.14 (29.0)	1.88 (47.8)	2.13 (54.1)
P6T	2.45 (62.3)	1.79 (45.5)	0.56 (14.2)	1.50 (38.1)	2.48 (63.0)	2.75 (69.9)

### Safe Product Selection

When selecting a product, the total system design must be considered to ensure safe, trouble-free performance. Function, material compatibility, adequate ratings, proper installation, operation, and maintenance are the responsibilities of the system designer and user.

**Caution: Do not mix or interchange parts with those of other manufacturers.**

## Factory Assembled Valves

To order a plug valve with a panel mount handle, add **-PM** to a valve ordering number from the Swagelok *Plug Valves* catalog.

Example: SS-2P4T-PM

The standard handle color is green. For an optional color, add a handle color designator.

Example: SS-2P4T-PM-BK

Handle Color	Designator
Black	-BK
Blue	-BL
Red	-RD

## Panel Mounting Kits

Kits include plug subassembly (plug, coupling, handle, pin, screw, cap, and O-rings), mounting bracket and screws, retaining ring, indicator label, mounting hole template, and instructions.

Select a kit ordering number. For an optional color, replace **GR** in the kit ordering number with a handle color designator.

Valve Material	Kit Ordering Numbers	
	P4T Series	P6T Series
Brass	B-5PMK-P4T-GR	B-5PMK-P6T-GR
Stainless steel	SS-5PMK-P4T-GR	SS-5PMK-P6T-GR

Example: B-5PMK-P4T-BK
